About This Game

Join Motor Rockwell in his quest to reclaim his stolen arm from a clan of bandit robots in this third-person action platformer! Motor projects his extendable arm to grapple, pole-vault, and sling his way through bandit-ridden territory, while dispatching enemies with his magnetic revolver. Using the weight of his enemies against them, Motor dodges enemy attacks and crushes obstacles with reckless abandon. Travel to the depths of Copperwealth Mine and deliver law to the lawless.

Long Arm of the Law was made by students from Florida Interactive Entertainment Academy over the course of 8 months. It's also a totally free experience!
