BTS 's comeback with their latest album "LOVE YOURSELF [2] 'Answer" was met by fans who had been waiting for their return. The album proved to be a big hit, selling over 2 million copies in the first week, achieving both First and Second places on Billboard's 200 and Top Album Sales charts respectively. However, for many fans it is not just the music that has drawn them to BTS; it is also their visual performance that has drawn them into the fandom. Their dances and outfits have inspired many young fans worldwide into learning dance moves and creating choreography themselves. Also, the BTS fandom has its own fan projects. The popularity of fan creations is reflected in the amount of popular releases (to date) made by different fandom members. BTS's "Idol" song for Mnet's reality TV show "", which was released on April 6, 2018, has become one of the most popular songs in the fandom.

For this section, "Media Coverage" refers to how many articles (or images) were used to support BTS's comeback throughout various media. For examples, agency news articles about their comeback promotion are not included here because they do not qualify as media coverage.
